Primary Areas of Need

SEND attendance 2022-23

SEND Persistent Absence: **0%** of SEND children

Exclusions:

There were no exclusions of pupils with SEND.

Engagement in clubs and Extra-curricular activities:

All clubs and extra-curricular activities are fully inclusive and can be attended by any pupils in our school. St Oswald's Catholic Primary School offers a range of clubs and extra-curricular. In addition, we have a very active PTA who host regular discos, movie nights and other events. All children are welcome to attend these events. In all situations, adjustments will be made, if necessary, to ensure they are inclusive for all.

School Council, Eco-council, Well-being Council, Art Ambassadors and Sports Crew:

The School Council, Eco-council, Well-being Council, Art Ambassadors and Sports Crew are democratically elected by peers. Any child can put themselves forward to be elected as a councillor; children in each class vote for their preferred councillor. The children elected attend meetings and conduct class councils to ensure they are representing the views of all children within their class.

SEND Outcomes 2022-23 (Previous Academic Year):

EYFS	<i>There were no children with SEND in this cohort.</i>
Year 1 Phonics	<i>There were no children with SEND in this cohort.</i>
KS1	<i>There was 1 child with SEND in this cohort, who was disapplied.</i>
KS2	<i>There were no children with SEND in this cohort.</i>

Next steps:

Continue to track the outcomes, attendance, provision and inclusion of all children with SEND.

Parents/Carers' Views

St Oswald's has positive attitudes to parents/carers and values their important role in their child's education. Parents can find a link to the Newcastle Special Educational Needs and Disabilities Information, Advice and Support Service on our website. This service provides information, advice and support at any stage of a child or young person's education, and provides an Independent Supporter for families in the process of getting an Education Health and Care Plan. Parents are fully involved in the review process and are invited to attend action plan update meetings with the SENDCO. Interpreters are arranged for parents who require translation during meetings. Written information is in accessible formats and sufficient notice is given for meetings to enable parents/carer time to prepare.

Early Help is used to coordinate support for children and their families who have a range of needs, where appropriate.

Next steps:

Use the Local Authority's new Descriptors of Need and the Universally Available Provision for Schools to ensure there is consistency across all schools in the local area.
