

# I try to use words that make the world a better place

Jesus always wanted to help people when they were in need. Sometimes some of the people forgot to say thank you and he was very sad.

Try to sit really still for a moment and see if you can think of a time when someone has thanked you for doing something for them.

**How did you feel?**

Think of a time when you have thanked someone for something they have done for you.

**What did they say?**

**Were they pleased?**

**How do you know?**

Let's always remember to thank God for all that he does for us.
