

Year 6 Geography Subject Map

Eco Systems

Hazardous World

Map Skills

DRIVER WORDS

EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Describe, Recognise	Develop knowledge, Use map and photographs, Identify, Understand	Describe, Name and locate, Observe	Use globes and digital mapping, Find similarities and differences, Use symbols and keys, Measure	Record, Present, Deepen our understanding	Understand similarities and differences, Use a range of methods to-observe, measure, record, present	Use symbols, keys and ordnance survey maps

AGE RELATED EXPECTATIONS

LOCATION AND PLACE KNOWLEDGE

- 1.Name and locate countries, cities and geographical regions of the U.K. and recognise their identifying human and physical characteristics.
- 2.Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.
- 3.Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles, the Prime/Greenwich Meridian and time zones (including day and night).

GEOGRAPHICAL SKILLS AND FIELDWORK

- 4.Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied
- 5.Use the eight points of a compass, four and six-grid references, symbols and key (including the use of Ordnance Survey maps) to build knowledge of the United Kingdom and the wider world.
- 6.Use a range of methods including sketch maps, plans and graphs, and digital technologies.
- 7.Use fieldwork to observe, measure, record and present the human and physical features in the local area.

GEOGRAPHICAL UNDERSTANDING (HUMAN AND PHYSICAL GEOGRAPHY)

- 8.Describe and understand key aspects of physical geography, including: mountains, volcanoes and earthquakes,.
- 9.Describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts.
- 10.Describe and understand key aspects of physical geography including climate zones.
- 11.Understand geographical similarities and differences through the study of human and physical geography of a region in a European country and a region within North or South America.
- 12.Deepen an understanding of the interaction between physical and human processes.

GEOGRAPHICAL

VOCABULARY

atlas, **biome**, city, classify, climate, coast, compass, continent, contrast, **co-ordinate**, country, data, **deforestation**, desert, east, **eco-system**, erosion, equator, features, fieldwork, geographer, geography, globe, global, graph, hemisphere, human, identify, jobs, journey, key, landmark, landscape, latitude, longitude, map, north, ordnance survey map, physical, poles, population, settlement, south, symbol, temperature, town, trade, travel, tropics, vegetation, weather, west.
